

BCM ARYA INTERNATIONAL SCHOOL SHASTRI NAGAR, LUDHIANA

EXPOSITION SCIENTIFIQUE

School hosted Exposition Scientifique, a vibrant science exhibition showcasing students' creativity and innovation. Budding scientists presented ingenious models on sustainability, renewable energy, and technology. The event ignited curiosity, promoted experiential learning, and reflected the school's commitment to nurturing scientific temper and innovation-driven young minds.

EY-NICHE

Fashion Runway

Our Little Stars Shine in 'Unity in Diversity' Event!

Our students from Pre-Nursery to UKG captivated everyone as they brought the rich cultural tapestry of India to life, showcasing the traditional attire of different states.

The auditorium was transformed into a vibrant cultural map as our tiny models took to the runway with confidence and charm.

JANAMASTHAMI

Janmashtami was celebrated with great joy by our KG students, who melted everyone's hearts by dressing up as little Lord Krishnas. Their adorable costumes and playful energy brought the enchanting spirit of the festival to life.

TEEJ CELEBRATION

Students and teachers wore colorful attire, transforming the campus into a festive scene. Key activities included a Mehendi competition and vibrant cultural programs featuring traditional songs and dances. This successful event allowed students to connect with and appreciate our rich cultural heritage.

Movie Day

Kindergarten enjoyed a wonderful Movie Day! Students relaxed in the assembly hall, complete with cozy seating and popcorn, to watch Rabbit School. It was a delightful and well-deserved treat that fostered fun and bonding among our youngest learners.

VEER GATHA 5.0

Our school actively participated in the Veer Gatha Project, a national initiative designed to celebrate the valor and sacrifices of India's armed forces. Through creative expressions like essays and art, our students connected with the inspiring stories of Gallantry Award winners. This project was a powerful lesson in patriotism and courage, fostering deep respect for the heroes who protect our nation.

PRIZE DISTRIBUTION CEREMONY

Congratulations!!

The Prize Distribution Ceremony was a wonderful celebration of student success, recognizing achievements across academics. The event honored students who demonstrated outstanding effort and excellence throughout the last term.

ICT CODE CLASH

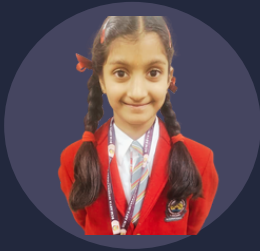

The ICT Code Clash competition was a brilliant showcase of our students' computer knowledge, covering areas from programming to digital literacy. The event successfully tested and highlighted the technical aptitude and sharp skills of all participants. Congratulations on a great competition!

Award and Recognition (Intra & Inter Schools)

Aarohan Raj and Ayan Malhotra of Class V A participated in Techmanthan 3.0 at BCM Arya Model Sr. Sec. School and secured the 3rd prize for their innovative Scratch 3.0 game, "Sustaino City". Ghameshwar of Class IGCSE-IX has got First prize in Tech Manthan.

- Team of 11 teachers attended Online Category 1 from IB training w.e.f 6th August.

Students' Alcove

A beacon in the night,
Whispers hope where darkness clings,
Kindles hearts that never fain,
Rise above the doubts,
Emerge strength from within,
Triumph follows each brave stride,
Oblivion fuels the soul,
Nurturing dreams, bright and true,
Sage of purpose, steady and sure,
Tears of tomorrow, ever anew.

Prabhnaaz
Stage 8

निष्काम कर्म: जीवन का सार
कर्म करो न फल की चाह में, मन न डूबे अभिमान में। सेवा
कर लो प्रेम भाव से, जैसे प्रभु हों उस काम में।

न देखे वो स्वार्थ कभी, न माँगे कोई इनाम। हर हाल में सच्चा
रहे, हो जीवन उसका पवित्र धाम।

निष्काम भाव जो अपनाए, वो ही होता सच्चा ज्ञानी। हर कर्म
में ईश्वर देखे, उसकी राह बने कहानी।

फल की चिंता छोड़ के जो, बस करता जाए अपना कर्म। वो
बनता है दीप अंधेरे में, जग में फैलाए शुभ धर्म।

निस्वार्थ प्रेम का दीप जलाओ, ममता की गंगा बहाओ। हर
बिन बोले आशीष मिले, ऐसी सेवा अपनाओ।

जब मन शांत, हृदय हो निर्मल, तभी दिखे सच्ची मंज़िल। जो
न सोचे सिर्फ़ अपने लिए, वही कहाए सफल जीवन।

चलो चलें उस राह पर, जहाँ न हो मोह का बंधन। गीत यही
हम सब गाएँ, दूसरों का दुःख मिटाएँ।

Students' Alcove

L'École des Rêves

**L'école est un jardin de lumière,
Où chaque jour fleurit un savoir.**

**Les mots dansent comme une prière,
Et les idées commencent à s'asseoir.**

**Nos rêves grandissent avec le temps,
Comme des oiseaux prêts à voler.**

**Chaque effort, chaque petit moment,
Nous prépare à mieux briller.**

**Dans les couloirs, on entend l'avenir,
Chanter tout bas, comme un secret.**

**Et nos cœurs commencent à construire
Un monde plus beau, plus parfait.**

Editorial

Dear Students,

As you progress through this enriching academic voyage, remember that every obstacle you encounter refines your character and strengthens your resolve. Nurture your curiosity, embrace perseverance, and pursue excellence with unwavering dedication. True achievement lies not in flawlessness but in consistent, purposeful effort. Let your aspirations be ambitious and your actions meaningful. We are immensely proud of your diligence and look forward to witnessing your brilliance illuminate every endeavour.

Counsellor Talk

Relationships, Resilience, and Emotions

We believe in nurturing meaningful relationships and strengthening self-care and resilience for all. Expressing emotions is key: it fosters deeper connections, reduces stress, and enhances problem-solving, creating a community rooted in trust.

Simple Practices:

- Daily Check-ins: Introduce daily "feelings check-ins" to help identify and express emotions.
- Process Feelings: Use a short journal or talk to someone you trust to process your feelings with clarity and calm.

PSAT & SAT CENTRE

Great news! BCM Arya International School has been named an official PSAT & SAT Examination Centre. This key designation allows our Grade 10 and 11 students to conveniently take the PSAT/NMSQT right here on campus. This simplifies preparation for the SAT and provides a vital step toward college readiness and scholarship eligibility.

BCM Arya International Launches IB Programme

BCM Arya International School is proud to announce the introduction of the prestigious International Baccalaureate (IB) Programme, ushering in a new era of global learning!

This transformative step reinforces our vision to nurture inquisitive, compassionate, and globally competent learners. The IB philosophy emphasizes research-based learning, interdisciplinary inquiry, and reflective thinking. The IB curriculum, spanning ages 3 to 19, includes the Primary Years Programme (PYP), Middle Years Programme (MYP), and the rigorous pre-university Diploma Programme (DP).

With a dynamic faculty and state-of-the-art facilities, we are poised to empower students to explore beyond boundaries and emerge as confident innovators and responsible global citizens.
